

**PSG GRANTS (UP TO 80%) AVAILABLE
MOST POPULAR QR CODE ORDERING & CRM PACKAGE
FOR F&B**

MAKE QR CODE ORDERING EASY

Yumstone Group was established in 2001 in Shanghai to bring cutting edge technologies for enterprises of the F&B industry. Today Yumstone provide F&B technology solutions to more than 30,000 F&B restaurants all over the world.

Now as part of the Yumstone Group, Yumstone eSolutions Pte Ltd was setup in 2013 to provide one-stop premium IT services for the F&B industry in Singapore focusing on F&B ordering solutions - **QR CODE ORDERING AND CRM**.

**"MANY CUSTOMERS
HAVE IMPLEMENTED
QR CODE ORDERING
USING PSG GRANT"**

In 2020, Yumstone was awarded by Enterprise Singapore as one of the F&B ordering vendors for pre-approved PSG Packages where claims up to 80% of the packages can be pre-approved for implementations.

For any F&B business in Singapore with at least 30% local shareholding, you can apply for Yumstone PSG Pre-approved Packages

(POS, Kiosk, QR Code, iPad, Staff ordering, CRM, Membership)
